ALL OTHER WASTE, construction demolition and metal	\$47.03 per ton
GREENWASTE(\$3.00 minimum charge).....	\$22.00 per ton

Wire must be separated from other trash.

WASTE TIRES:

Rims must be removed/if rims are not removed there will be a \$5.00 fee for each tire *Non-Dealer*. Tires up to 1200/20: Up to five tires -- No Charge; Over five tires -- \$2.00 each *Tire Dealers*. Dealers must be registered with Gila County and must bring a manifest each trip.

PENALTY FEES:

A fee of \$10.00 may be assessed against anyone whose load is not secured sufficiently to prevent trash or debris from blowing or falling from the vehicle. This is in addition to any other dumping fees.

All fees will be collected at the gate. Cash, credit or debit card accepted.

Commercial permits are available that enable haulers to sign their scale slips and be billed on a monthly basis. A \$50.00 refundable security deposit plus a \$10.00/year bookkeeping fee is required to establish an account.

WASTE OIL:

Each individual may bring up to five (5) gallons of used motor oil per trip. There is a sheet to be signed each time.

AUTOMOBILE BATTERIES:

Automobile batteries may be left at the landfill for recycling. Ask at the scale house for the specified area.

SCRAP METAL / APPLIANCES:

There is a designated area at the landfill for scrap metal. The company that picks up appliances for recycling recovers the fluids. However, due to the cost of removing the fluids from the appliances, a fee has been implemented to cover the cost of the removal. Effective July 1, 1997, a \$5.00 surcharge will go into effect for appliances that need to be verified for recycling.

YARD CLIPPINGS:

There is a designated area at the landfill for yard clippings. Please ask at the scale house for the specified area.

IF YOU HAVE ANY QUESTIONS, PLEASE DO NOT HESITATE TO ASK THE SCALE PERSON OR CALL THE OFFICE.
