NOMINATION OTHER THAN BY PRIMARY ELECTION

A candidate who is a registered member of a party not entitled to representation, or who is registered as an Independent or No Party Preference, may be nominated as a candidate for Gila County public office “other than by the primary election.” Candidates wishing to be nominated other than by primary election shall file the required candidate papers and petitions while primary nomination papers and petitions are required to be filed. Candidates nominated other than by primary election shall not be voted for at the primary election but shall be voted for at the general election.

Petitions for nomination other than by primary election shall be signed by at least 3% of the number of persons who are registered to vote in the county or district for which the candidate is nominated and who are not members of the Democratic or Republican Party.

A petition circulated for a nomination other than by primary election candidate shall be signed only by voters who have not signed the nomination petition of a candidate for the same office voted for at the primary election.

PARTISAN NOMINATION PETITION

Any person desiring to become a candidate at any election and to have their name printed on the official ballot shall file nomination petitions.

A nomination petition is the form used for collecting the required number of signatures from qualified electors and is circulated by or on behalf of the person seeking to become a candidate for a political office.

The nomination petition size is determined by Arizona Revised Statute:

- 8½" long x 11" wide.
- headed by a caption stating the purpose of the petition.
- followed by the body of the petition stating the intent of the petitioners.
- ten (10) lines spaced 1/2" apart consecutively numbered one (1) through ten (10).

The signature portion of the petition shall be divided into columns headed by the titles:

- signature.
- printed name.
- actual residence address or description of place residence, city, town or post office.
- date of signing.

A primary election candidate shall file partisan nomination petitions that contain signatures equaling no less than 1% and no more 10% of the total voter registration of the party of the candidate within the jurisdiction of the office they seek.

PETITION CIRCULATION

Before circulating petitions:

- Review A.R.S. § 16-315. Form of Petitions
- Complete the caption at the top of the front side of the petition.
- Decide if a photo of the candidate is to be included (optional.)
- Ensure any petition used matches the size and format requirements as required in Arizona Revised Statutes. Candidate may choose to have petitions professionally printed.
- Always print the petition form on 8½ X 11-inch paper. The second page (Instructions for Circulator) must be copied on the reverse side of the nomination petition.

- A **fillable form** is available online at the Gila County Elections homepage.

The circulator of a petition must:

- Be qualified to register to vote in the State of Arizona.
- Witness each person signing the petition.
- Complete the circulator's statement on the back of the petition. Print or type name, residence address, or if no street address, a description of residence location and sign the back of the petition.

Circulating Tips:

- Voters may sign as many petitions for the same office as there are positions necessary to fill the office at the election. **For Example:** For the Office of Treasurer, only one person shall be elected to fill the office. Therefore, a voter may sign only one nomination petition for a candidate who is running for the office of Treasurer.
- Candidates can sign their own petition.
- All petition columns **MUST** be filled in. The date column is the one most commonly left blank.
- Anyone wishing to sign a petition **MUST SIGN THEIR OWN NAME**. A spouse, family member, friend, power of attorney, guardian, etc. may not sign a nomination petition on behalf of another person.
- The circulator or another person may **NOT** assist the signer by completing the remaining columns on the petition.
- No more than 10 signatures will be counted on a petition. Additional signatures collected in the margins will not be counted.
- Do not leave petitions in any public place where the circulator cannot witness signatures, i.e. restaurants
- Candidates are strongly encouraged to obtain actual physical residence addresses or descriptions of place of residence relative to a city, town or post office building. P. O. Boxes are not invalid per se, but may be challenged in court.
- Suggestion---Collect more signatures than the minimum number required.

Who May Sign a Democrat Petition?

- Democrats registered in the jurisdiction of the office that the candidate seeks.
- Members of the unrecognized parties, independents or nonpartisans registered in the jurisdiction of the office that the candidate seeks.

Who May Sign a Republican Petition?

- Republicans registered in the jurisdiction of the office that the candidate seeks.
- Members of the unrecognized parties, independents or nonpartisans registered in the jurisdiction of the office that the candidate seeks.

What Parties are recognized for Gila County Elected Office?

- Democrat Party
- Republican Party
- Except for the office of Precinct Committeeman. Candidates for county precinct committeeman shall be elected by members of the political parties recognized at the state level.

Filing Petitions

- A petition may be filed with less than ten (10) signatures.
- At the time of filing, the petitions must be accompanied by the candidates Nomination Paper and Financial Disclosure Statement.

Annual No Activity Statement

In lieu of filing a Campaign Finance Report a candidate's campaign committee that remains active after an election due to outstanding debts may file an Annual No Activity Statement no later than January 31 which states that the committee does not intend to receive any contributions or make any expenditures during the year. If the committee does receive a contribution or makes an expenditure during that year, the committee shall report the activity by filing a Campaign Finance Report.

A candidate campaign committee may be terminated by filing a Termination Statement.

The Arizona Open Primary allows an elector who is registered as an Independent, or no party preference, or who is a member of a political party that is not entitled to representation at the primary election, to vote a ballot of either the Democratic, Libertarian or Republican party. If additional parties qualify for representation at the state level, those ballots will also be available.

Registered members of the Democratic, Libertarian, Republican and any other recognized party must vote their party ballot.

An elector registered in one of the parties not entitled to representation in the primary election must declare the party ballot they wish to vote before receiving a ballot.

Party Nomination Requirements

At a primary election, each political party entitled to representation in the primary election and intending to make nominations for the ensuing general election, shall nominate its candidates for all elective senatorial, congressional, state, judicial, county and precinct offices to be filled at such election, except for presidential electors.

Democratic and Republican candidates for Gila County office are nominated by primary election. All political parties entitled to representation at the state level may elect precinct committeemen.

Nomination Other Than by Primary Election

A candidate who is a registered member of a party not entitled to representation, or is registered as an Independent or No Party Preference, may be nominated as a candidate for county public office "other than by the primary election".

Failure to Nominate a Candidate in a Primary Election

If no candidate is nominated in the primary election for a particular office, then no candidate for that office for that party may appear on the general election ballot, except for presidential electors.

MAPS NOW AVAILABLE ON THE WEB!**

The Gila County Department of Elections and the Public Works GIS Department, are working on a new interactive mapping tool for Gila County citizens. Although the final mapping project is still a work in progress, an initial web-based mapping tool is now available for citizens/candidates use. To access these maps:

- Go to the following url: <http://maps.gilacountyaz.gov>
- You must use Internet Explorer to access this site. There is no other browser access for this interim mapping program.
- When you access the link, you will see a banner which reads "Gila County GIS Maps". Review the information in the "Please Note" area.
- Click on the "Enter Gila County GIS Website" button in the lower right-hand corner. A Message from Webpage will show up. Read the message and click on OK.
- If you are not automatically directed to a map of Gila County look at the bottom left hand corner of your screen. Read the error message. You may need to press the Ctrl key at the same time you click on the "OK" button.
- On the left of the mapping screen are several mapping configurations. To access the correct maps for the 2018 election, check "Proposed Supervisor" OR "Proposed CCD" (community college districts) AND the "Proposed Precincts".
- Across the top of the mapping screen you will notice several tools which will help you navigate the maps:
- Click on the double pages to copy
- Click on the arrow and point it at an area or a road to get a pop-up with the name of the supervisory or college district or the name of a major highway.
- The magnifying glass with a plus will allow you to draw a square around an area you want to magnify or zoom in.
- The magnifying glass with a minus will allow you to draw a square around an area you want to diminish or zoom out.
- The magnifying glass with a circle area will go to the previous zoom.
- The magnifying glass with a right facing arrow will allow you to type in an area (community) you want to go to.
- The magnifying glass with the "X" will take you out to the County view map.
- The next two buttons are inactive.
- The last button, which is a question mark, is the program help button if you want to read more about the program itself.

Feel free to play with the application and print screens for those maps you want to keep. There are many ways to "print screens". How you do it will depend upon your computer. One common way is to press the Alt and PrtScn buttons at the same time. This creates a copy of the page. Then open your Word application and press "Paste". A copy of the screen will appear on the Word page and you can print it out.
