

DO YOU

NEED

HOME REPAIRS

Owner-occupied housing rehabilitation will assist low to moderate income Gila County residents with home repairs. To participate in this program*, you must: own your home and property; the title must be in your name; must have lived in the home for the last 12 months; and agree to have a deferred payment lien placed on the property for up to 15 years.

Let us fix that leaky roof, replace electrical wiring, update your heating and cooling systems and improve the safety and health conditions while making your home more comfortable.
