The Gila County Board of Supervisors has approved a Conditional Use Permit upon the subject parcel of land in order to allow construction of a shed prior to the construction of the residence as per Gila County Zoning Ordinance Section 103.11 which reads:

Conditional Uses and Conditional Use Permits:

A. GENERAL:

As defined in Section 102, Conditional Uses are those uses which, although not specifically permitted in a given zoning district, would become harmonious or compatible with neighboring uses through the application and maintenance of qualifying conditions. Conditional Use Permits shall be issued setting forth all qualifying conditions subject to the procedures for rezoning found in Section 105 amendment Procedures.

4. No business activities will be carried out with this shed.
5. This conditional use permit will become effective when the RV is removed from the property or as an alternative considered as part of this application under which circumstances staff would not recommend to approve.
