### **Item 3 – REGULAR AGENDA ITEMS:**

#### **3A. Information/Discussion/Action to approve Amendment No. 1 to an Intergovernmental Agreement (IGA) for Title I and Other Associated Funds for FY 2011 Juvenile Detention Services (Attorney General Contract No. KR10-0018) between the Arizona Supreme Court, Administrative Office of the Courts (AOC), and the Gila County Board of Supervisors through the County School Superintendent to amend Section 1-Purpose and Exhibit A of the Intergovernmental Agreement in the amount of \$116,847.86.**

Linda O'Dell, School Superintendent, stated that this is an amendment to an IGA that was first approved by the Board in March 2010. The IGA is updated on a yearly basis. Arizona Revised Statutes require that the County School Superintendent work with the Presiding Juvenile Judge to establish an education program for juveniles detained in County juvenile detention facilities; hence this Agreement. This is a reflection of the significant role that the courts play in assisting the County School Superintendent to provide educational services to our detained youth. The Arizona Office of the Courts applies for all of the entitlement grant funds on behalf of Gila County as well as 8 other counties that are available to all schools and students in Arizona, which includes Title I and Title II for professional development and special education and Title IV for chemical abuse and other associated funds. At this point, the Department of Education and each of those departments within the Department of Education has finally approved the County's funding amount for FY2010 and 2011. This amendment brings in a carry-forward amount from these title funds from last year, so the total amount of new monies that the

County will be receiving from the title accounts, plus the carryover amounts to \$116,847.86. These funds are used to provide education services, facilities, materials, hardware, software, etc. for educating the youth in our juvenile detention facilities. Supervisor Dawson inquired if this money also covers the juvenile detention center education program at San Carlos or if that is a separate grant. Dr. O'Dell replied that this money is for the Gila County Juvenile Detention facility only. The San Carlos detention education program is actually being run through the Gila Accommodation School District, which includes the Globe Education Center Alternative High School, the Payson Education Center Alternative High School and the Biyagozhoo Center at the San Carlos juvenile detention facilities and are funded through student enrollment as are other schools. Upon motion by Vice-Chairman Martin, seconded by Supervisor Dawson, the Board unanimously approved Amendment No. 1 to an Intergovernmental Agreement for Title I and Other Associated Funds for FY 2011 Juvenile Detention Services (Attorney General Contract No. KR10-0018) between the Arizona Supreme Court, Administrative Office of the Courts (AOC), and the Gila County Board of Supervisors through the County School Superintendent to amend Section 1-Purpose and Exhibit A of the Intergovernmental Agreement in the amount of \$116,847.86.

**3B. Information/Discussion/Action to approve Professional Services Contract No. 1005.101/2-2011 between Gila County and Partners for Strategic Action, Inc. (PSA) to provide strategic planning consulting services to assist Gila County in its strategic planning process for a sum of not to exceed \$7,000.**

Don McDaniel, County Manager, stated that this item is on the agenda with the staff recommendation to approve this Professional Services Contract with PSA. He stated that Peggy Fiandaca, founder and principal of the firm, was present to answer any questions. He stated that Ms. Fiandaca has led sessions at County Supervisors Association meetings in the past and he recommended approval of this Contract in an amount not to exceed \$7,000. He noted that Ms. Fiandaca's total services will be \$4,800 and the additional amount will be for travel, lodging, etc. Mr. McDaniel then called on Ms. Fiandaca. Ms. Fiandaca thanked the Board for inviting her in consideration of her proposal and she is looking forward to working with the Board and staff on this important endeavor of strategic planning. Upon motion by Supervisor Dawson, seconded by Vice-Chairman Martin, the Board unanimously approved Professional Services Contract No. 1005.101/2-2011 between Gila County and Partners for Strategic Action, Inc. (PSA) to provide strategic planning consulting services to assist Gila County in its strategic planning process for a sum of not to exceed \$7,000.

**3C. Information/Discussion/Action to approve the submission of two grant applications to the United States Department of Agriculture, U.S. Forest Service, for 2008-2011 Secure Rural Schools (Public Law 110-**

**343) Title II Special Projects in the amount of \$865,278 to be used for the Double Chip Seal Forest Road 423 project (Cline Boulevard) in Tonto Basin and Double Chip Seal Forest Road 55 project (from the end of private land along Russell Road to the beginning of Kellner Canyon) in Globe.**

Jacque Griffin, Assistant County Manager/Librarian, noted that this item has previously been discussed by the Board both in a December 2010 work session and then in a meeting in January 2011 to narrow down the focus for which project the Board would like for the Secure Rural Schools and Community Self Determination Act, Title II funds. At that time, the Board's first priority was Cline Boulevard in Tonto Basin. After that meeting, notification was received in a news release from the U.S. Forest Service announcing another round of funding as they were awarding 2 year's worth of grants in one year, which was confirmed by the U.S. Forest Service employees of the Apache-Sitgreaves National Forest, because the Secure Rural Schools and Community Self Determination Act of 2008-2011 is only authorized for those years. They have been handing out the funds for one year in the following year (example - the funds for 2008 were handed out in 2009); so this year they were planning to give out the 2010 money in 2011; however, they don't have the authority to hold it and give out the money in 2012. After considering 2 choices, the U.S. Forest Service has decided to accept applications by this spring and award the funds for both 2010 and 2011 when those funds are available after September 2011. Because of this change, Ms. Griffin requested that the Board approve the submission of both applications. At the previous presentations to the Board, there were 8 potential projects, which were narrowed down to 2--Double Chip Seal Forest Road 423 project (Cline Boulevard) in Tonto Basin and Double Chip Seal Forest Road 55 project (from the end of private land along Russell Road to the beginning of Kellner Canyon) in Globe. She noted that the projects either have to be on the forest or they have to benefit the forest. They have to have some measureable benefit and given the amount of roads that Gila County is responsible for by agreements, chip sealing roads that are heavily traveled would benefit everyone. Upon motion by Vice-Chairman Martin, seconded by Supervisor Dawson, the Board unanimously approved the submission of two grant applications to the United States Department of Agriculture, U.S. Forest Service, for 2008-2011 Secure Rural Schools (Public Law 110-343) Title II Special Projects in the amount of \$865,278 to be used for the Double Chip Seal Forest Road 423 project (Cline Boulevard) in Tonto Basin and Double Chip Seal Forest Road 55 project (from the end of private land along Russell Road to the beginning of Kellner Canyon) in Globe.

**3D. (Motion to adjourn as the Gila County Board of Supervisors and convene as the Strawberry Hollow County Improvement District Board of Directors.) Information/Discussion/Action to adopt Resolution No. 11-02-02 dissolving the Strawberry Hollow County Improvement District and instruct the Clerk of the Board to notify the State Department of Property**

**Valuation and the Gila County Assessor of the dissolution. (Motion to adjourn as the Strawberry Hollow County Improvement District Board of Directors and reconvene as the Gila County Board of Supervisors.)**

Upon motion by Supervisor Dawson, seconded by Vice-Chairman Martin, the Board adjourned as the Gila County Board of Supervisors and convened as the Strawberry Hollow County Improvement District Board of Directors.

David Rogers, Elections Department Specialist, requested the adoption of this resolution as the cleanup of a previous resolution. In June 2009 petitions were brought to the Board by the property owners association of the Strawberry Hollow Subdivision requesting that the roads be vacated by the County and turned over to the property owner's association and a resolution was adopted by the Board. However, one item was left off of that resolution, which was the actual dissolution of the District so the request today was to adopt this new resolution dissolving the District. Upon motion by Vice-Chairman Martin, seconded by Supervisor Dawson, the Board unanimously adopted Resolution No. 11-02-02 dissolving the Strawberry Hollow County Improvement District and instructed the Clerk of the Board to notify the State Department of Property Valuation and the Gila County Assessor of the dissolution.

Upon motion by Supervisor Dawson, seconded by Vice-Chairman Martin, the Board adjourned as the Strawberry Hollow County Improvement District and reconvened as the Gila County Board of Supervisors.
