Item 1 – Call to Order – Pledge of Allegiance – Invocation

The Gila County Board of Supervisors met in Regular Session at 10:00 a.m. this date. Jacque Griffin led the Pledge of Allegiance and Reverend Bill Marshall of the Miami Church of Christ delivered the Invocation.

Chairman Sanchez announced that Vice-Chairman Martin and Supervisor Dawson were out of town so they would participate in today's meeting via a telephone conference call.

Item 2 - Public Hearing - Information/Discussion/Action to adopt Resolution No. 08-07-02 approving Planning and Zoning Department Case No. CUP-08-04, a request for a conditional use permit submitted by Paul and Kendrick Messinger so that tax parcel 304-22-018C may be used as residential to allow cemetery staff housing.

Bob Gould, Community Services Division Director, advised that the Messingers own approximately 14.5 acres of property in Round Valley which is known as the Mountain Meadow Memorial Park. This conditional use permit (CUP) request is to expand the existing 9.9 acre cemetery by 4.72 acres in order to accommodate staff housing, future plots and cemetery uses. The 3 residential units currently located on the 4.72 acre parcel will remain until the expansion project takes place. The current zoning classification is Rural Residential. On July 10, 2008, the Planning and Zoning Commission met to review this request to determine whether the proposed use was compatible with surrounding properties. The Commission unanimously recommends the Board's approval of

this request providing that 3 stipulations are met. Before the subject property will be used for cemetery plots, mausoleum and columbarium the following conditions shall be met: 1) All above ground improvements including, but not limited to: manufactured homes, site built homes, accessory structure, power poles, concrete foundations, concrete driveways and interior fencing shall be removed. 2) All below ground improvements including, but not limited to: electrical lines, water lines, gas lines, septic tanks, leach fields, piping and any other associated sanitary facilities shall be removed along with all tainted ground material and replaced with clean material of a similar texture and consistency as the existing native material. 3) After the above conditions have been met and any cemetery plots, mausoleum or columbarium uses are established, then the cemetery grounds shall be maintained in an acceptable condition and shall not revert to any residential uses. Chairman Sanchez opened the public hearing at this time and there being no comment received, he closed the public hearing and asked for a Board motion. Upon motion by Supervisor Dawson, seconded by Vice-Chairman Martin, the Board unanimously adopted Resolution NO. 08-07-02 approving Planning and Zoning Department Case No. CUP-08-04. **(A copy of the Resolution is permanently on file in the Board of Supervisors' Office.)**
