PRESENT: Michael A. Pastor, Chairman; Tommie C. Martin, Vice-Chairman (via ITV); John D. Marcanti, Supervisor; Don E. McDaniel Jr., County Manager; Bryan B. Chambers, Deputy Attorney Principal; Jacque Griffin, Assistant County Manager/Librarian; Marian Sheppard, Clerk of the Board; and Laurie Kline, Deputy Clerk.

Item 1 – CALL TO ORDER - PLEDGE OF ALLEGIANCE - INVOCATION

The Gila County Board of Supervisors met in a regular session at 10:00 a.m. this date in the Board of Supervisors' hearing room. Lieutenant Michael Johnson led the Pledge of Allegiance and Pastor Rich Richie of the First Church of the Nazarene in Payson delivered the invocation.

Item 2 – PRESENTATIONS:

A. Public recognition of five employees for August's "Spotlight on Employees" Program, as follows: Nyra Hillery, Wes Wilson, Alex Cunningham, Bianca DalMolin and Ronald Escobedo.

Erica Raymond, Human Resources Department Assistant Senior, read aloud a letter submitted by Vice-Chairman Martin nominating Nyra Hillery of the Public Works Division for this award. Additional nominations were submitted by Sharon Winters, Solid Waste Operations Manager, to include Wes Wilson and Alex Cunningham also of the Public Works Division, and Bianca DalMolin and Ronald Escobedo from the Sheriff's Office. The award recipients were not present at the meeting to accept their awards.

Item 3 – REGULAR AGENDA ITEMS:

A. Information/Discussion/Action to approve an Intergovernmental

Agreement between Gila County and the Gila County Community College District to provide \$250,000 in four quarterly payments for utility expenses and repair and maintenance of the College's facilities and real property at its three Globe and Payson campuses commencing July 1, 2013, and ending June 30, 2014.

Don McDaniel, County Manager, stated that for the past several years Gila County has provided financial assistance to the Gila County Community College District. The County will provide the College with maintenance and utility expense assistance in four quarterly payments, and the College will continue to provide citizens of the Gila County Community the education and skills necessary to be successful in entering the job market. Upon motion by Vice-Chairman Martin, seconded by Supervisor Marcanti, the Board unanimously approved an Intergovernmental Agreement between Gila County and the Gila County Community College District to provide \$250,000 in four quarterly payments for utility expenses and repair and maintenance of the College's facilities and real property at its three Globe and Payson campuses commencing July 1, 2013, and ending June 30, 2014.

B. Information/Discussion/Action to approve, and authorize the Chairman to sign, the purchase documents with Spillman Technologies for the purchase and installation of an IBM rack-mounted server in the amount of \$48,828 and a Sentryx Geobase Module which includes on-site training and Spillman Pin Mapping in the amount of \$60,665, all of which are budgeted items in the FY 2013/2014 Sheriff's Office.

Sarah White, Sheriff's Office Chief Administrative Officer, explained that the maintenance agreement for the IBM server expired June 2013, and that the backup portion of the IBM server failed in the same month, consequently, manual backups are performed daily. Due to the age of the server equipment, IBM will no longer continue the maintenance agreement with the County. The server contains the Spillman Technologies Software which executes the essential functions of every aspect of the Sheriff's Office operations including record keeping for the Sheriff's Office as well as keeping records for the residents of Gila County.

The second part of the request before the Board is to purchase the Sentryx Geobase mapping module in order to expeditiously and accurately dispatch Sheriff's deputies in response to 911 calls by pinpointing the exact location of the call. Chairman Pastor inquired as to whether or not it works together with the software currently being implemented, to which Ms. White stated that the Spillman Technologies Software and the Environmental Systems Research Institute, (esri) geographic information systems mapping software programs that the County recently purchased *do* interface together. Vice-Chairman Martin inquired whether this purchase would include the constable component, to which Ms. White explained that there is a civil module that is

separate and could be added later, but that it is not a part of the conversation today. Supervisor Marcanti expressed a concern that the initial contract price and equipment may not be sufficient and that additional equipment and/or software may be required in the near future. Ms. White replied that today's request is adequate to accommodate and perform the 911 dispatch service requirements. Upon motion by Supervisor Marcanti, seconded by Vice-Chairman Martin, the Board unanimously approved and authorized the Chairman to sign the purchase documents with Spillman Technologies for the purchase and installation of an IBM rack-mounted server in the amount of \$48,828 and a Sentryx Geobase Module which includes on-site training and Spillman Pin Mapping in the amount of \$60,665, all of which are budgeted items in the FY 2013/2014 Sheriff's Office.

C. Information/Discussion/Action to approve the final distribution of \$149,903 of Gila County's Secure Rural Schools and Communities Funds (SRSC - 'Forest Fees') for FY 2012-2013, namely \$144,903 to Gila County School Districts, and \$5,000 for Roads.

Dr. Linda O'Dell, School Superintendent, (via ITV in Payson) stated that this item was approved by the Board on April 16, 2013, with 10 percent held on deposit in the event the County had to return funds to the federal government due to sequestration. She asked the Board to approve the final distribution of Forest Fees as September is the end of Federal Fiscal Year 2012 and the County is not required to return any funds to the federal government. The proposed distributions are as follows: \$5,000 of Forest Fees goes to County roads and the remaining \$144,903 is allocated to the school districts which is the 10 percent of funds on deposit. Supervisor Marcanti inquired whether the \$5,000 had been allocated to a roads project to which Don McDaniel, County Manager, stated that it is budgeted but not allocated.

Mr. McDaniel stated that Jeff Baer, Director of Education Programs, indicated that it was necessary to shut down and restart the computer system in the hearing room because of technical difficulties; therefore, a short recess was taken. Upon motion by Vice-Chairman Martin, seconded by Supervisor Marcanti, the Board unanimously approved the final distribution of \$149,903 of Gila County's Secure Rural Schools and Communities Funds (SRSC - 'Forest Fees') for FY 2012-2013, namely \$144,903 to Gila County School Districts, and \$5,000 for Roads.

D. Information/Action/Discussion to approve expenditure with Empire CAT in the amount of \$19,630.50 to replace the wheel tips on the 816F compactor in service at the Buckhead Mesa Landfill.

Sharon Winters, Solid Waste Operations Manager, explained that the County has been working with the National Intergovernmental Purchasing Alliance (IPA) Company, the Finance Department, and Austin Jones, Public Works

Vehicle and Equipment Maintenance Supervisor, to reduce the cost by 50% to keep the 816F compactor in operation for several more years, and she asked that the Board approve this expenditure. Upon motion by Supervisor Marcanti, seconded by Vice-Chairman Martin, the Board unanimously approved the expenditure with Empire CAT in the amount of \$19,630.50 to replace the wheel tips on the 816F compactor in service at the Buckhead Mesa Landfill.

E. Information/Discussion/Action to approve a Vending Services Grantor Agreement (Contract No. ADES14-051775) with the Arizona Department of Economic Security/Rehabilitation Services Administration/Business Enterprise Program (BEP) to utilize the services provided by BEP, to arrange for an automated snack vending machine on the 2nd floor, main lobby of the Gila County Courthouse that will be installed and serviced by a BEP Operator. Said Agreement will expire on August 31, 2028.

Jeff Hessenius, Finance Director, stated that the public comes to the Gila County Courthouse and often times are required to stay for extended periods of time. Requests have been made by the public for the County to install snack vending machines in the Courthouse. He stated that a snack machine would provide a service to the public as well as to Gila County employees. By entering into this agreement it would help support a noteworthy program. The program is administered by the Department of Economic Security (DES) Rehabilitation Services Administration (RSA) specifically the Business Enterprise Program (BEP). The BEP licenses individuals who are legally blind to operate food services businesses and service the vending machines. The County would be satisfying the request from the public as well as being aligned with Arizona Revised Statute §23-504, which states in part that BEP Operators have priority for merchandising business of state, county or other local government property.

Chairman Pastor inquired whether the term of 15 years for this contract was standard, to which Mr. Hessenius replied that it is in fact a standard agreement. Mr. McDaniel interjected that the contract does include a 30-day cancellation clause that can be executed by either party. Supervisor Marcanti inquired if there will be adequate signage to let citizens know the machines are there. Mr. Hessenius stated that he would defer to Public Works to install a sign indicating that there are vending machines. Chairman Pastor verbalized that there is adequate space to house the new vending machine in the lobby area of the 2nd floor of the Courthouse. Upon motion by Vice-Chairman Martin, seconded by Supervisor Marcanti, the Board unanimously approved a Vending Services Grantor Agreement (Contract No. ADES14-051775) with the Arizona Department of Economic Security/Rehabilitation Services Administration/Business Enterprise Program (BEP) to utilize the services provided by BEP, to arrange for an automated snack vending machine on the 2nd floor, main lobby

of the Gila County Courthouse that will be installed and serviced by a BEP Operator. Said Agreement will expire on August 31, 2028. Chairman Pastor then stated for the audience that Jeff Hessenius is the new Finance Director for Gila County.

F. Information/Discussion/Action to adopt Resolution No. 13-09-01 for the roadway exchange of that property referenced in said resolution regarding Deer Farm Road, and to authorize the Chairman's signature on the Quit Claim Deed with Gary C. Landers.

Steve Sanders, Public Works Division Deputy Director, explained that a recent survey by Mr. Gary C. Landers revealed that the existing Deer Farm Road was not within the dedicated easement. In order to save the County money it was decided to leave the road in its current location rather than move the road and to propose a land exchange with the property owner, Gary C. Landers. Included in this item is Resolution 13-09-01 which will accomplish this roadway exchange. Upon motion by Supervisor Marcanti, seconded by Vice-Chairman Martin, the Board unanimously adopted Resolution No. 13-09-01 for the roadway exchange of that property referenced in said resolution regarding Deer Farm Road, and to authorize the Chairman's signature on the Quit Claim Deed with Gary C. Landers. **(A copy of the Resolution is permanently on file in the Board of Supervisors' Office.)**

G. Information/Discussion/Action to adopt Resolution No. 13-09-02 accepting Russell Road as described in Fee No. 2013-007562, Gila County Records, as a public road and to be maintained as a public roadway in the Gila County Maintained Roadway System.

Mr. Sanders provided some background information regarding Russell Road and explained that it is located south of Globe in the Little Acres area and it provides access to the Pinal Mountains and connects with Kellner Canyon Road. He further stated that if this portion of road, as described above, is accepted into the Gila County Maintained Roadway System it would provide for an alternate access route to residents living on either Ice House Canyon Road or Six Shooter Canyon Road. A recent survey of Russell Road uncovered approximately 2,200 feet of the road to cross private land. The owner of the property is unable to produce evidence that it is a dedicated road; therefore, he agrees with the County that it is in the best interest of all parties to dedicate an easement for the roadway to the County and that this portion of road be accepted and maintained as a public roadway in the Gila County Maintained Roadway System.

Chairman Pastor stated that he would like to meet with Mr. Sanders to ask a question after the meeting today. Upon motion by Vice-Chairman Martin, seconded by Supervisor Marcanti, the Board unanimously adopted Resolution No. 13-09-02 accepting Russell Road as described in Fee No. 2013-007562,

Gila County Records, as a public road and to be maintained as a public roadway in the Gila County Maintained Roadway System. **(A copy of the Resolution is permanently on file in the Board of Supervisors' Office.)**

H. Information/Discussion/Action to approve two letters addressed to the Director of the U.S. Fish and Wildlife Service (USFWS): (1) requesting immediate action to grant an extension to the various comment periods involved in the gray wolf delisting, the relisting of the Mexican wolf, the revision of the nonessential, experimental revised rules, and the proposed draft Environmental Impact Statement on the revision to the Mexican wolf nonessential experimental population rule; and (2) expressing grave concerns with regard to the processes that have been followed by the USFWS related to the entire Mexican Wolf Initiative.

Jacque Griffin, Assistant County Manager/Librarian, provided background information and explained that the first letter to the Director of the U.S. Fish and Wildlife Service (USFWS) requests immediate action to restructure and extend, for a minimum of 90 days, the public comment periods for these issues to provide the public with adequate time, opportunity and information to appropriately evaluate the issues and fully understand the possible implications and impacts. The first letter also addresses great concerns about pending USFWS proposals to delist gray wolves, relist the Mexican wolf, and revise the rule establishing the Mexican wolf in Arizona-New Mexico as a nonessential experimental population and to draft an Environmental Impact Statement on the proposed revision to the Mexican wolf nonessential experimental population rule. Ms. Griffin also stated that the second letter addresses the concern that the USFWS has held no procedural public meetings on these issues in the southwest since 2007 and the collected data has changed significantly since then; therefore, the information is not "fresh" as intended by the National Environmental Policy Act (NEPA) and is inconsistent with Service Policy on compliance with NEPA as described in the USFWS policy manual. It was respectfully requested in both letters that the Director consider the letters and give a timely, substantive response by September 9, 2013.

Ms. Griffin advised that it is in the best interest of the County for the Board of Supervisors to submit these two letters to ensure that the County has ample time to respond and be involved in these processes. She plans to file the letters within the allotted comment period in the event that the comment period is not extended as a result of sending the letters. The Board members thanked Ms. Griffin for the information. Upon motion by Supervisor Marcanti, seconded by Vice-Chairman Martin, the Board unanimously approved two letters addressed to the Director of the U.S. Fish and Wildlife Service (USFWS): (1) requesting immediate action to grant an extension to the various comment periods involved in the gray wolf delisting, the relisting of the Mexican wolf, the revision of the nonessential, experimental revised rules, and the proposed draft Environmental Impact Statement on the revision to the Mexican wolf

nonessential experimental population rule; and (2) expressing grave concerns with regard to the processes that have been followed by the USFWS related to the entire Mexican Wolf Initiative.

I. Information/Discussion/Action to adopt Policy No. BOS-COB-004-Call to the Public, which replaces Policy No. BOS-1-2009-Call to the Public to reflect a change in the format and number of the policy and a statutory reference.

Mr. McDaniel stated that this is truly a “housekeeping” item to change the format of a current policy that was adopted in 2009, “Call to the Public,” to be consistent with the new Countywide policy format and numbering system, and to change the statutory reference in the policy from paragraph “G” to paragraph “H.” Upon motion by Vice-Chairman Martin, seconded by Supervisor Marcanti, the Board unanimously adopted Policy No. BOS-COB-004-Call to the Public, which replaces Policy No. BOS-1-2009-Call to the Public to reflect a change in the format and number of the policy and a statutory reference.
