X. Reports/Updates

A. Chair’s Report (Annie Hinojos)
Ms. Hinojos requested that if an Advisory Board member is unable to attend a function when reservations have been made, it is the responsibility of that member to cancel the reservation at least 72 hours prior to the event. This will reduce the cost to Gila County’s travel budget.

B. Director’s Report (Malissa Buzan)
Ms. Buzan apologized that CAP wasn’t able to send all our Advisory Board members to the ACAA conference. She stated that David Bradley represents the nation’s Community Action Agencies at the congressional level. We will forward his e-mails to the Advisory Board members to keep them informed. We are anticipating budget cuts but, when and how much is unknown at this time.

C. Coordinator’s Report (Dorine Prine)
1. Customer Satisfaction Data Report for all of Community Services: The report was presented to the Advisory Board. Only 30 surveys were collected due to the end of the fiscal year, so the amount of surveys was lower than normal. The results are as follows:
   ➢ 26 surveys were from CAP services.
   ➢ 100% were served in a timely and professional manner.
   ➢ 100% stated the staff was friendly and knowledgeable.
   ➢ 73% were previously aware of the services available through community services.
   ➢ 100% would use this service again.
   ➢ 100% would recommend this service to a friend.

2. CAP success story: Community Services had been working with a hardworking single mother employed at a school. She first came to CAP because she was struggling to pay her electric bill and rent. She struggles every year with the same loss of income when
summer hours at the school are reduced and during winter and spring breaks. She is reluctant to ask for help since she is a self-sufficient and very proud person. She anticipates her loss of income by trying to save money during the profitable months. She purchased a house “as is” for the cost of back taxes. However, the home was in dire need of extensive home repairs; major yard work, installing new water pipes, just to name a few. Gila County Housing Rehabilitation Services was able to cover some of the costly repairs but not all of the needs. Voluntary Income Tax Assistance (VITA) prepared her taxes for free and she was able to set some money aside from her refund. CAP was able to help by paying her electric bill and a deposit. She took the initiative and did some of the work herself. With the help of a neighbor, she was able to install water pipes saving her over $1400. Her house is still a work in progress and we will continue to provide case management. Due to her fortitude and working together with our Community Services Programs (CAP, VITA, and Housing Services), she is slowly able to turn her vision into a reality for herself and her children.

D. Annual update on the success of specific strategies in the Community Action Plan: Ms. Prine reported that we have been able to provide more services in our efforts to reduce poverty and assist residents to be more self-sufficient.

E. Advisory Board members ending term of office on December 31, 2017:
   1. Ms. Opitz represents the Public Sector. She wants to renew her appointment to the Advisory Board. She will need to contact her Board of Supervisors representative to renew her appointment to the Advisory Board.
   2. Ms. Hinojos and Mr. Waddell represent the Low-Income Sector. Each of them wants to renew their appointments to the Advisory Board. Per the By-Laws, Low-Income members will be selected by the democratic selection process. We will complete this process before the next meeting on November 16, 2016. At that meeting, the candidates with the most votes will be presented to the Advisory Board to declare the results official.
   3. Ms. Quesada and Mr. Black represent the Private Sector. Each of them wants to renew their appointments to the Advisory Board. Candidates will need to complete an application that will be reviewed and voted on by the Public Sector and Low-Income Sector representatives on the Advisory Board at the November 16, 2016 meeting.

XI. Call to the Public: There were no comments from the public.

XII. Summary of Current Events:
Margret Celix gave an update on the Guererro family fundraiser. They raised $730.00. The fundraiser was at the Country Club on May 28th for David Guererro, who celebrated his 30th birthday. Mr. Guererro was born premature with hydrocephalus, spina bifida and other medical conditions. The doctors had told the family he was lucky to be alive and didn’t expect him to live only but the first few hours of his life.
