Supreme Court Public Access

The Public/media representatives may obtain general information about non-confidential statewide court cases by accessing the Supreme Court's Public Access to Court Information website at the following link:

<http://apps.supremecourt.az.gov/publicaccess/caselookup.aspx>

By using this website, the public/media representatives who are interested in finding out what cases have been filed for a specific individual can enter that person's name to find all cases in the system that are associated with that person. A specific case can also be viewed by entering the case number.

Once the case is selected, general information will appear, and includes the pleadings filed, hearings held, and status of the case. For more information about the case than the website displays, you may contact the office of the Clerk of Court.

Gila County Court Public Access

If an agency of the media is interested in following the progress of a particular Gila County case or a public interest case, the media representative may identify that case to the office of the Court Administrator. Information about the case may still be obtained from the Public Access to Court Information website, as the direct link will save the media time when researching the case. This Court's website can be accessed by clicking on the following link:

Superior Court Calendar Access

The Superior Court calendar is also available via the Internet at the following link:

Media representatives may look for information on a court calendar by selecting a calendar and the dates of interest. Information about the cases, times, and types of hearings set on those dates will be displayed.

The Gila County Superior Court Public Interest List is also available via the Internet at the following link:

For general questions regarding cases on the Public Interest Case List or any other case, please contact: Terri Griego, Public Information Officer, at: tgriego@courts.az.gov, or (928) 402-8673.

In the event that you want to view court records or obtain a copy of court documents, a request is first to be made to the Clerk of Court's office.
