ADDENDUM #3:

DATE: 08/25/2016

CLARIFICATIONS:

- 1. *QUESTION:*** Does the County wish to connect the 3 WAN locations to 1400 E. Ash Street?
ANSWER: Yes the County does wish to connect all 3 WAN locations to the 1400 E. Ash Street location.
- 2. *QUESTION:*** What is the estimated cutoff date for the temporary 10 Mbps PIP?
ANSWER: Estimated cutoff could be anywhere from November through early next year. It is dependent upon internal shuffling of departments and resources.
- 3. *QUESTION:*** Will you accept a separate contract for the temporary 10 Mbps?
ANSWER: If the contract gives a 30 day notice to vacate and does not commit the County to a specific term. This is also subject to the Board of Supervisors approval.
- 4. *QUESTION:*** Will bid be considered without references?
ANSWER: The bid can be accepted without references however, it might rat the bid lower if it is one of the criteria judged on the bid.
- 5. *QUESTION:*** Would it be possible to go onsite to the 1400 E. Ash Street location to perform a visual site survey. Also access to the roof of the building if possible?
ANSWER: To schedule access to the 1400 E. Ash Street location contact Facilities Manager Bob Hickman at (928) 402-1643.
