RE: Tax Credit

Payson Community,

Here is your opportunity to take advantage of a tax credit allowed by the Arizona legislature for donations to public schools. Arizona taxpayers may donate up to \$400 to Payson Education Center for extracurricular activities of your choice and take a dollar-for-dollar credit off your Arizona state income tax liability. This donation may also count as a tax-deductible donation on the federal tax return.

For single taxpayers or heads of household, the credit cannot exceed \$200. For married taxpayers that file a joint return, the credit cannot exceed \$400. If married taxpayers file separate returns, each spouse may claim ½ of the credit that would have been allowed on a joint return.

This tax credit can provide the opportunity for our students to participate in extracurricular activities and other projects. Some examples include:

After-school enrichment and intervention programs

Group activities

Field trips

Equipment and trips

Since we do not receive any funds from property taxes, this is an important fundraiser.

Payson Education Center accepts donations from each calendar year. Use the attached form to place your donation. Just be sure we receive it by midnight December 31, so you can take the tax credit in the current year. We appreciate your help.

For Kids' Sake,

Peggy Miles, Principal
