E. PROCUREMENT QUESTIONS

F. CONSTRUCTION PRESENTATION

1. Safety is an emphasis, for the workers and for the public. Gila County will require the contractor and subcontractors on the job to read the Public Works Safety & Loss Control booklet and sign the acknowledgement sheet and return the signature sheet to Public Works Administration. Attention is directed to Federal, State and local laws, rules and regulations concerning construction safety and health regulations.
2. Contractor responsible for Blue Stake AZ (811). No known utilities near bridge.
3. Contractor is responsible for obtaining construction yard, this is part of the mobilization pay item. The right-of-way is narrow. All right-of-way has been acquired.
4. Contractor is responsible for traffic control and must submit a traffic control plan before work begins. Contractor must control traffic during construction. Contractor must provide barriers/barricades and signage when existing bridge is removed. An alternate low water crossing is available for local traffic.
5. Material testing and certification is incidental. Cost of testing to compliance borne by contractor.
6. Contractor is responsible for obtaining water source.
